

## Marquette Soccer School Striker Clinic

Sunday, January 16, in Stevens Point, WI @ UWSP MAC

**Scoring goals is one of the most difficult things to do on the pitch. Some say that strikers are born, but their instincts and athleticism are supported by tactical training and thinking. This Marquette University Striker Clinic is an outstanding opportunity to get training from Marquette University coaches and players.**

**Please note that attendance will be limited to 40 players**

**12:00PM – 3:00PM: 6<sup>th</sup> grade—12th grade (\$30)**

Steve Bode has been coaching at Marquette University for the last three years. Steve had a stellar career with UW-Milwaukee, twice being named Most Valuable Player and earning ESPN The Magazine Academic All-America honors in 2005. To cap his career, Steve was drafted by the Chicago Fire in the 2008 MLS draft. Current and former Marquette University players will be joining Steve at the clinic.

Please join us for a great afternoon clinic led by a current DI coach and DI players. The focus will be on:

- > **Shooting techniques**
- > **Attacking scenarios (1v1, 2v2, 2v1, etc)**
- > **Dribbling to beat a player**
- > **Decision making in the final third**

*Eric Wiberg operates Wiberg's Wisconsin Goalkeeper School, dedicated to finding, developing, and placing keepers in college.*
