

PCYS Player Development Program 2012

Winter Player Development - Sign up now!

PCYS is excited to announce Winter Player Development will be back and better than ever. We've listened to your suggestions and have changed the format to accommodate the ever changing landscape of the sport in the USA. The best opportunity for our children to develop with the game is to play, play, play!

These skill sessions will focus on getting your child the tools to be successful on the field. The hour long sessions will begin with instruction focusing on the individual player. The session will end with a 30 minute 3v3 game to allow your athlete to apply those skills. We believe this will keep your little kicker involved and wanting to come back week after week.

Space is limited due to 3v3 league
